PRAP-Draft%20March%2024%20-%20Basso%20and%20WM %20sf%20rev.docx

Following up on Walter Mugdan's exchange with Jim Woolford last week, Region 2 revised the draft Proposed Plan as per Mathy Stanislaus' email to the Administrator dated March 19, 2014. The attached draft shows our first take on this.

Please note that in addition to the changes being made to address Mathy' email, changes are being to the Proposed Plan to address another set of comments from OSRTI so we suggest focusing on the newly added language.

Dana, attached is the first draft of the proposed plan with suggested language to conform with the Memo. When we agree on the language this version will be integrated with the "working" version of the plan in which we will be addressing your office's most recent comments. We are hoping to wrap this up later this week, no pressure. Looking forward to your comments. Feel free to forward to your colleagues when you think it's appropriate. Thanks.
